

I oppose loosening the rules designed to promote and protect diversity of media ownership. These rules were adopted to ensure that the public would receive a diverse range of viewpoints from the media, and not simply the opinions of a handful of media conglomerates. The cable ownership

cap is a crucial element of our democratic media, and it should not be weakened.

I firmly believe in the above statement. We must preserve the cable ownership cap. We cannot allow so few to determine the flow of information! Diversity of information is imperative to democracy!
